

KritiKal signs MoU with Napino

Noida, Monday, 23 Nov, 2015: KritiKal Solutions Pvt. Ltd and Napino Auto & Electronics Ltd signed a Memorandum of Understanding (MoU) on 20th November 2015, to enhance cooperation and develop innovative products and solutions with special focus on automotive electronics and IoT. A joint team that will be co-branded as 'Napino KritiKal Innovation Team' (NKIT) will be formed to undertake joint innovation internally.

NKIT will help set-up, manage, and mentor an 'Accelerator for IoT and Automotive Electronics'. Talking about the MOU- Mr. Dipinder Sekhon, CEO of KritiKal Solutions said, "By identifying areas of synergy, collaborating, and supporting each other's strengths we can realize our mutual goal of designing and developing products that are at the forefront of innovation in the Automotive Electronics and IoT domains."

About Napino Auto & Electronics
