

KritiKal signs MoU with Qubit

Noida, Monday, 3 August, 2015: KritiKal Solutions Pvt. Ltd and Qubit Information Systems Pvt. Ltd signed a Memorandum of Understanding (MoU) for business collaboration and integration effective 1st August 2015. The synergies are a win-win for both the organisations with KritiKal Solutions planning to expand its business operations in the US and Qubit Information Systems (QIS) getting a strong partner in India.

This collaboration strengthens the offerings on both the sides and makes for a more complete portfolio. KritiKal Solutions offerings will now expand to include Remote Infrastructure Management, Retail and Mobility while QIS will benefit from KritiKal's expertise in the Embedded and Computer Vision space. Speaking about the MoU- Dipinder Sekhon, CEO of KritiKal Solutions, said, "This MoU will help us in achieving our vision to significantly expand our market reach in the US and will strengthen and deepen our software applications and mobility business expertise."

About KritiKal Solutions

KritiKal Solutions is a leading full product development life-cycle services provider with deep domain know-how and technology expertise. We consistently go beyond our clients' expectations by bringing together technology, talent, innovation, and the highest quality standards to deliver amazing products. KritiKal's customers benefit from the right mix of technology skills, industry and domain knowledge, defined processes and methodologies, and a choice of engagement models. Our strong linkages with the country's premier technical institutions like Indian Institute of Technology, Delhi, enable us to create industry-defining products and accelerate time-to-market. We offer international delivery capabilities through our delivery centres in India.
